When something happens that You believe You can claim for, please contact Strata Unit Underwriters. Details about making a claim are shown in the "The Insurance Policy" section of this PDS under "General Claims Procedures Relating to all sections". We have also provided "Claims

Payment Examples" on pages 49 to 51, to assist You to understand how We pay claims.

ADEQUATE SUM INSURED — BUILDINGS AND COMMON CONTENTS

In the event of a major loss, Your Sum Insured should be sufficient to allow for replacement of Your property including all associated costs (e.g. the value of demolition work, removal of debris, surveying, engineering and architectural fees, Goods and Services Tax). To ensure adequacy of Your Sum Insured, We suggest a professional replacement valuation be obtained on a regular basis.

There are specific requirements in each state and territory that deal with insurance for strata properties. You should check that Your insurance meets those requirements.

CALCULATING YOUR PREMIUM

The premium payable by You for this insurance will be shown on Your Schedule. The key factors that influence the premium calculation are reflected in the questions asked and information obtained at the time of the enquiry or application for insurance.

For section 1 – Buildings and Common Contents, section – 2 Glass, section 3 – Theft and section 12 – Lot Owner's Improvements, these include factors relating to the type of property being insured, where the property is located, the type of construction of the property, the type of occupants within the Building and to what extent the property is unoccupied.

For section 7 voluntary workers, these factors include the ages, current health, previous illness and injury of the persons covered as workers.

For all sections, We also take into account Your previous insurance and claims history.

Premiums are subject to Commonwealth and State taxes and/or charges. These include the Goods and Services Tax and Stamp Duty. The amount of these taxes and/or charges will be shown on Your Schedule.

Your premium, including any discounts You may be eligible for, are subject to minimum premiums. We consider the minimum amount We are prepared to sell the Policy for and may adjust Your premium to ensure it does not fall below the minimum amount. Any discounts will be applied to Your Policy, only to the extent any minimum premium is not reached. This means that any discount You may be eligible for may be reduced. When We determine Your premium on renewal, We may also limit any increases or decreases in Your premium by considering factors such as Your previous year's premium amount.

EXCESSES

If You make a claim under the Policy, You may be required to pay an Excess. In some instances, You can select at the time of Your enquiry or application for insurance the amount of Excess You wish to pay should You have a claim.

When You select a higher Excess amount, We may reduce the amount of premium We charge You. In some instances, We will impose the amount of Excess You will need to pay should You have a claim. In deciding to impose an Excess, We take into consideration a number of factors in setting the amount of the Excess. These include factors relating to Your previous claims history, the type of property being insured, where the property is located, the type of construction of the property, any commercial occupant exposure, to what extent the property is unoccupied and Your previous insurance history. At the time of Your enquiry or application for insurance, the amount of any Excess will be advised to You.

GENERAL CONDITIONS RELATING TO ALL SECTIONS

Our liability to pay a claim under this Policy is subject to compliance with the following conditions. The course of action We take when You fail to comply will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your Policy.

CANCELLING YOUR POLICY

You can cancel this Policy at any time. To do this, You must ask Us in writing. The Policy will end when We receive Your request.

We can cancel this Policy if You do any of the following:

1. fail to comply with the duty of utmost good faith;
2. fail to comply with the conditions of this Policy;
3. fail to pay the premium for this insurance;
4. fail to tell Us anything You should tell Us when You apply for this Policy, renew this Policy and when You vary or reinstate this Policy;
5. make a claim during the period of this Policy that is fraudulent. The claim does not have to be made under this Policy and can be with Us or another insurance company; or
6. make a misleading statement to Us when You apply for Your insurance.

We may also cancel this Policy if You fail to notify Us as soon as reasonably possible of a change in the risk as set out in the clause "Notification of Changes in the Risk" during the Period of Insurance if the change materially increases the risk under Your Policy.

If We cancel this Policy, We will advise You in writing. To do this, a notice will be delivered to You or posted to You. In the Northern Territory the cancellation notice will be provided to the mortgagee of each Unit and in Victoria to any mortgagee whose interest are noted on the Policy.

In the Northern Territory, We cannot cancel the Policy on the sole basis of a breach of the Policy conditions by someone other than the body corporate. In Victoria We cannot avoid the whole of the Policy for a breach of a condition of the Policy by someone other than the owners corporation or all Unit Owners. In the Northern Territory and Victoria We have a right of indemnity against a Unit Owner who breaches a condition of the Policy.

REFUND OF PREMIUM IF YOUR POLICY IS CANCELLED

If Your Policy is cancelled (other than by exercising Your cooling-off rights) before the due date, We will:

1. keep the premium that applies to the period in respect of which the Policy was in force.
2. return to You the premium which You have paid that applies to the period from the date the Policy ended to the due date of the Policy, less any non-refundable duties.

THE LAW THAT APPLIES TO THIS POLICY

Any disputes arising from this Policy will be determined by the courts, and in accordance with the laws, of the state or territory of Australia where this Policy is issued.

REINSTATEMENT OF SUM INSURED

Unless otherwise specified, We will automatically reinstate the Sum Insured and/or Additional Benefits for a section to the amount shown in this Policy and as shown on Your Schedule following a claim. This does not apply:

1. to section 6 – Office Bearers' Liability, section 8 – Government Audit Costs, and section 9 – Legal Expenses; or
2. when Your claim is for a total loss; or
3. We have paid the total Sum Insured as Your cover will end then.

CROSS LIABILITY

This clause applies to all sections of the Policy, save for "Section 6 –Office Bearers' Liability" of the Policy, Where there is more than one party named in the Schedule as an Insured, We will treat each as a separate and distinct party.

The words You, Your and Yours will apply to each party in the same manner as if a separate Policy has been issued to each party, however, Our liability for any Sum Insured or Policy limit is not increased thereby.

SEVERABILITY

Any act, breach or non compliance with the terms and conditions of this Policy committed by any party named in the Schedule as an Insured, will not prejudice the rights of the remaining party named in the Schedule, provided that the remaining party shall, within a reasonable time after becoming aware of any act, breach or non-compliance whereby the risk of Damage, loss or liability has increased, give notice in writing to Us of the act, breach or non compliance.

NOTIFICATION OF CHANGES IN THE RISK

You must advise Us as soon as reasonably possible in writing of:

1. all changes in risk or circumstances relating to Your Insured Property and other property insured under this Policy;
2. any change in information or details You have given Us in relation to Your Insured Property and other property insured under this Policy or You; and
3. any change that increases the risk of Damage or personal injury at Your Insured Property or by other property insured under this Policy.

If You do not provide such notification before the happening of an occurrence giving rise to a claim under this Policy then, subject to the Insurance Contracts Act, 1984, We may refuse to pay a claim, either in whole or in part. The course of action We take when You fail to provide such notification will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your Policy.

REASONABLE PRECAUTIONS

You must take all reasonable care and exercise all necessary steps to:

1. maintain Your Insured Property and other property insured under this Policy in a good state of repair to prevent anything which could result in a claim under this Policy; and
2. prevent Damage to other people's property or personal injury to other people and comply (and use reasonable endeavours to ensure that Your employees, servants and agents comply) with all relevant statutory obligations and bylaws or regulations imposed for the safety of property or persons.

INSPECTIONS

We (or agents appointed by Us) have the right to inspect and examine, by mutual appointment, any Property Insured under this Policy at a reasonable place and time. Any such inspection shall not amount to a representation as to ownership, fitness for purpose, safety or compliance with any law or regulation.

SPRINKLER INSTALLATIONS

It is a condition of this Policy that, in regard to any property, being property insured in which an automatic sprinkler system is installed and which is owned by You, or where You are responsible for the operation or maintenance of the automatic sprinkler system, You shall:

- a. ensure that the property is protected as required by law by an approved installation of automatic sprinklers, automatic external alarm signal and automatic alarm signal connected with a fire brigade station or other legally approved monitoring organisation.
- b. exercise due diligence to ensure that any system and alarm signal are at all times maintained in good working order;
- c. ensure that such system will be regularly maintained in accordance with Australian Standard AS1851 (Part 3); and
- d. notify Us, in writing and as soon as reasonably practicable, of any alterations or additions to the automatic sprinkler installation.

We may reduce the amount We pay for a claim to the extent that Your failure to comply with these conditions caused or contributed to the loss.

When the Authorised Legal Representative recommends settlement of a proceeding and You wish to continue with the proceeding, We will only pay the legal costs and expenses incurred up to the date of such a recommendation.

REFUSAL OF RECOMMENDATIONS

If against Our recommendations You elect to continue any legal proceedings, Our liability will not exceed the liability for which the claim could have been settled for up to that date.

DELAYS

If You, the Unit Owner or anyone acting on Your or the Unit Owners behalf cause delays preventing Us from commencing and completing reinstatement or replacement of Your Insured Property or other property insured under this Policy, We will not pay for any extra costs that result from that delay.

ACTS OR OMISSIONS OF YOUR BODY CORPORATE MANAGER

We will not deny liability for a claim, or reduce the amount thereof, if Our right of denial or reduction is solely caused by an act, error or omission of Your duly appointed Strata Manager while acting on Your behalf and You have not directly authorised the act, error or omission.

RECOVERY ACTION

If You and/or the Unit Owner, have the right of recovery against someone else for a claim that We have accepted under this Policy, You and/or the Unit Owner give Us Your and/or the Unit Owners rights to pursue that recovery. You and/or the Unit Owner also give Us Your and/or the Unit Owner's rights to conduct, defend or settle any legal action and to act in Your and/or the Unit Owner's name.

You and/or the Unit Owner must not do anything that prevents Us from doing this, prejudice our rights or settle any claim without Our consent and You and/or the Unit Owner must give Us the information and cooperation that We reasonably require. We will only request information relevant to handling Your claim and will explain why the information, documents and cooperation is required.

OTHER INSURANCES

If loss, Damage or an event occurs that results in a claim being lodged under this Policy, You must notify Us of any other insurance that covers the same loss, Damage or event. We have the right to seek contribution from the other insurer.

REPAIRS OR REPLACEMENT

We will agree with You the supplier or repairer to be used. If We cannot agree and if You choose Your own repairer or supplier the most We will pay is the costs of repair or supply as determined by Our supplier or repairer for comparable supply or repair.
